## **ASX ANNOUNCEMENT**

### **ANTICIPATED 2008/2009 FULL YEAR PROFIT RESULT**

The Directors of Lemarne Corporation Limited now expect the after tax profit for the 12 months to 30 June 2009 to total approximately \$8 million.

This resulted from the strong operating performance of Lemtronics Sdn Bhd and C10 Communications Pty Ltd as well as a once off profit of \$1.5 million from the recent divestment of C10 Communications Pty Ltd.

As expected trading conditions in the second half proved challenging and Directors expect that Lemtronics will face similar conditions in 2009/10.

For and on behalf of the Board,

**Brian Noxon**  
Chairman  
29 June 2009
